Household Appliances, Small Appliances, Deep Fryers

MASTERBUILT BUTTERBALL INDOOR TURKEY FRYER

Cooks turkeys up to 14 lbs. at 4 minutes per pound, using one-third less oil than traditional turkey fryers, resulting in a healthier meal that tastes great. Made with a porcelain-coated inner pot for quick clean-up. 1650 watts. Stainless steel construction.

395447	NEW	23011014 ELECTRIC TURKEY FRYER GEN111	1	EA A	126.49 CLZ.CYX

MASTERBUILT BUTTERBALL XL INDOOR ELECTRIC TURKEY FRYER

The stainless-steel fryer looks great in a modern kitchen, as it complements most kitchen appliances and countertop materials. Chefs might even want to leave it on display when it's not in use. For convenience, the Butterball has a one-piece lid that is completely removable for easy handling and clean-up. The good looks accompany a powerful 1,650-watt electric heating element that heats up the oil in less than 30 minutes. Using the sturdy turkey basket, you can cook a 20-pound turkey in only four minutes per pound--less than an hour of cooking time! Masterbuilt also added a drain clip to the fry basket. With the drain clip, you can hang the basket on the side of the fryer while the turkey drains and cools. The clip makes it easy to move the turkey to a serving platter without making a huge oily mess.

With the vac's 18 foot locking hose, you can cover a large area without the hassle of maneuvering the tank, and the unit's 4-1/2 horsepower motor delivers impressive suction and airflow of 165 cubic feet per minute. The filtering system features a high-quality cartridge filter, along with a foam sleeve for wet pickup. The vacuum also comes with a complete offering of 1-1/4" tools, including extension wants, crevice and gulper tools, and a 12"" floor nozzle with squeegee insert. A handy tool-storage bracket keeps all tools organized and ready to use. Can be removed from the wall for portability. Backed by a three-year warranty."

Residential Humidifiers and Dehumidifiers, Dehumidifiers, Electric Dehumidifiers

DANBY PREMIERE DEHUMIDIFIER

This portable Energy Star-rated dehumidifier is the ideal appliance to keep your room less humid and cool during the sweaty days of summer. The unit comes with two quiet fan speeds which can be controlled electronically via the digital keypad. The automatic de-icing feature will make sure the coils won't freeze up and cleaning can be done quickly and easily with the removable air filter. If you'd like to cool down another room the rolling castors make it an easy model to move elsewhere. There's also an auto restart as well as a low-temperature feature which enables the environmentally-friendly dehumidifier to operate continuously until the temperature hits 5C (41F).

TAYLOR WIRELESS INDOOR/OUTDOOR THERMOMETER

Comes with a wireless remote sensor that reads up to 100 feet away from the thermometer. Not only does the thermometer display current indoor and outdoor temperatures in either Fahrenheit or Celsius, but it also monitors daily highs and lows on its easy-to-read multi-line LCD. Weather trend icons indicate whether temperatures are rising, falling, or steady. An indicator icon alerts you when your batteries are running low. Mount on the wall or use the included stand to display it on any shelf, table, or counter. Its sleek contemporay styling matches any decor. The main unit requires 2 AAA batteries; the outdoor remote sensor 2 AA batteries (batteries not included). Indoor temperature range and outdoor range using the remote sensor is 14 degrees to 158 degrees F to 70 degrees C. Outdoor temperature range using the included 10-foot cord is -40 degrees to 158 degrees F / -40 degrees to 70 degrees C. The main thermometer unit measures 3" x 1.2"" x 4"" and weighs just 3.2 ounces."

See Page 4 For:
Vent Pipes, Air Vents, Canning Racks, and Interlock Assemblies.

PRESTO® COOKER-CANNERS

COOKER-CANNER GAUGES

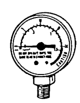

82087..........................
For all Presto Cookers-Canners manufactured prior to January 1978.

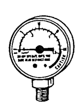

82237...........................
Gauge with rubber washer, metal washer, and nut.

82248............................
Gauge Fastener Pack (for gauge 82237). Includes: rubber washer, metal washer, and nut.

82121..........................
Gauge with nut.

85374..........................
Gauge with adaptor 33136.

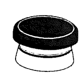

33136...........................
Black Rubber Adaptor. For Pressure Gauge 85374.

PRESSURE REGULATORS-WEIGHTS

50332..
Pressure Regulator, 3 pieces. Used on Canners without steam gauge.

09978 (09913).............................
Pressure Regulator. This part replaces the 09913 Pressure Regulator.

85485..
Canner Regulator Kit. Includes: Regulator, Vent Pipe, and Recipe/Instruction Book.

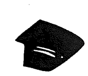

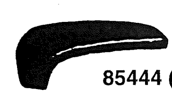

37052 (399).................................
Petcock Knob and Screw.

COVER HANDLES

Screws are supplied with handles.

85313 

 **85708**

85444 (194)

BODY HANDLES

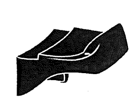

Screws are supplied with handles.

85333

85443 (193)

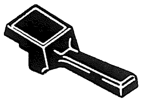

85709

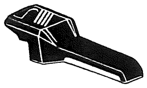

Prices are subject to change without notice.

PRESTO® COOKER

Screws are supplied with handles.

COVER HANDLES

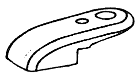

85312........

85567..................

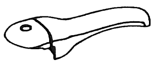

82123........

85645 and 85663
regulator handle ......

85646 and 85664
interlock handle.......

85239........

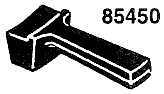

85636 and 85637
....

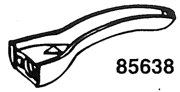

85738 interlock handle
....

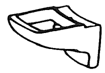

BODY HANDLES

85569

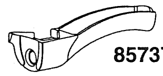

85454

85450

85638

85649

85453

85737

SHORT HANDLES

85531 (37037)

85639

85736

VENT PIPES

85652........

85658........

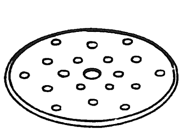

1058..........

85608........

85651........

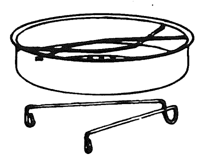

85735........

COOKING RACKS/BASKETS

85360........
85341........
85622........
85707........

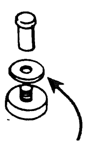

Stainless Steel Basket/Trivet

85650 6-Qt.

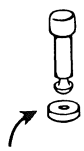

INTERLOCK ASSEMBLIES

85407

Gasket 85659

85610*

Gasket 85660

*Use on all models with interlock located in handle.

AIR VENT — OVERPRESSURE PLUG

09911
Automatic Air Vent ....
Used on Cookers and Canners Prior to 1977.

09915
Overpressure Plug...........................
Used on Cookers and Canners After 1977.

PRESSURE INDICATOR OR REGULATOR

09914 (82063)
PressureTru™ Indicator ....

09978
Pressure Regulator..........................

09979
Pressure Regulator..........................

09991
PressureTru™ Indicator ....
